Don't Miss It!!!!

Health Fair

Be sure to visit the Health Fair on Monday in the Omni North Tower, M4, Booths 88 and 89. Blood pressure readings, pulse checks, blood glucose checks and more! Take advantage of this great opportunity to check up on YOU!

GACP Reception with State Legislators

All of our legislators have been invited to stop by our conference reception on Monday evening to informally meet with us. Your participation is necessary because their time is very valuable, particularly during the legislative session when they are working very hard doing the "people's business." Networking is important – so take the time to meet "the policy makers" at this function.

Reservations are not required and spouses/guests are welcome to attend. Each registered attendee will receive two drink tickets at the door. Be sure to wear your name badge. Business, casual attire is requested.

Business Meeting and Training

Lt. Governor Casey Cagle is due to speak at the Business Meeting at 9:00am sharp on Tuesday. Please be seated in the Grand Ballroom E prior to his arrival.

A training session will begin immediately following the conclusion of the Business Meeting. This training is included in the required training for reimbursement of conference lodging and meals. (See Conference Program included in your registration packet for all requirements related to reimbursements.)
