I have been asked to forward this information to all of our members. This information deals with a "free service" provided to law enforcement agencies as well as others who may need the services of dogs that specialize in locating lost and/or missing persons.

Please allow me to suggest that you review the below information and file this email with other important reference materials. If you need this service, or wish further information on this free service, contact Ms. Trace Sargent at 770.722.4241. Additionally, Ms. Sargent may be reached via email; [trace314@yahoo.com](mailto:trace314@yahoo.com).

As a side note, Ms. Sargent has outstanding credentials as a K-9 handler. She is a certified law enforcement officer who has displayed to me a commitment to her mission, second to none.

The dogs specialize in locating lost and missing persons (dead or alive). Specifically trained as tracking dogs and cadaver dogs. They are certified through local, state, national and international associations. The certifications include the following:

- Certified Canine Good Citizen – American Kennel Club
- Tested and Certified for Cadaver/HRD – K9 Search & Rescue Specialists, Inc.
- Tested and Certified for Tracking/Trailing - K9 Search & Rescue Specialists, Inc.
- Licensed Tracking/Trailing Dog - Georgia Office of Homeland Security
- Licensed Cadaver/HRD Dog - Georgia Office of Homeland Security
- Certified Tracking/Trailing Dog - North American Police Work Dog Association
- Certified Cadaver/HRD Dog – National Association for Search and Rescue
- Certified Cadaver/HRD Dog – National Narcotics Detection Dog Association
- Certified Type I Tracking/Trailing Dog - State of Georgia
- Certified Type II Cadaver/HRD Dog – State of Georgia
- Nominated for Georgia Animal Hall of Fame – Professional Category
- Certified for Advanced Cadaver/HRD Dog – International Police Work Dog Association  
(NOTE: First full member dog team to be certified by this association as an advanced cadaver/HRD dog team – First in the association's history)
- Certified for Cadaver/HRD Dog – Georgia Body Recovery Team (NOTE: First dog team to be certified for the Georgia Body Recovery Team – First in the State of Georgia history)
