Introduction & Training Overview

You are invited to attend our 2009 Summer Training Conference which will be held in Savannah. The Summer Training Conference is a wonderful opportunity for you to network with other members while receiving valuable training. At this conference, twenty (20) hours of approved training will be offered. Training will be available on topics such as:

- Penn. West Nickel Mines School Shooting
- POST Hiring Process
- A Child is Missing Alert & State Certification
- Legal Update
- Traffic Safety That Matters
- Why Good Chiefs Fail to Make a Difference

Exhibitors dedicated to enhancing law enforcement will be participating in this year's conference events, providing the latest police equipment, services, technology & publications. We encourage you to take time to stop by their booths, but most importantly, we ask that you keep them in mind when making decisions to purchase equipment for your agency.

The Georgia Association of Chiefs of Police is sponsoring a health screening on Monday from 8:15am to 1:30pm. This is a great opportunity to have your health-related questions answered. More information will be available in your registration packet at the conference.
