<u>ACTIVE BILL #</u>	<u>*/**</u>	<u>STATUS-ASSIGNED TO</u>	<u>AUTHORS</u>	<u>TITLE AND/OR SUMMARY</u>	<u>GACP COMMENTS</u>
HB 280	*	Passed House Public Safety and Homeland Security Committee on 3/03/17. Senate Judiciary Committee	Ballinger - 23rd Powell - 32nd Meadows - 5th Jasperse - 11th Jones - 91st Coomer - 14th	This bill would authorize the carrying and possession of handguns by weapons carry license holders in certain buildings and on real property owned by institutions of postsecondary education. http://www.legis.ga.gov/Legislation/20172018/167462.pdf	The carry of concealed weapons would not be allowed at athletic events, in dorms, in fraternity or sorority houses and at preschool space. The media has indicated that the Governor expresses some concern about this bill and has asked that other events and locations be added to prohibited areas.
HB 292	*	Passed House Public Safety and Homeland Security Committee on 3/03/17. Senate Judiciary Committee	Jasperse - 11th Meadows - 5th Powell - 32nd Ballinger - 23rd Jones - 91st Clark - 147th	This is a very encompassing gun bill relating to weapons carry and weapons safety. http://www.legis.ga.gov/Legislation/20172018/167431.pdf	This bill needs to read carefully as it relates to many different issues. The most important appear to be FBI National Instant Criminal Background Check System, state reciprocity, involuntary hospitalization information going to GCIC and civil immunity for firearms instructors.
SB 15	**	Passed in Senate Judiciary Committee on 2/16/17. House Judiciary Non-Civil Committee	Rhett - 33rd Mullis - 53rd Henson - 41st Harper - 7th Miller - 49th Jones II - 22nd	This bill adds to the category of former law enforcement officers who are entitled to be issued a weapons carry license without the payment of fees. http://www.legis.ga.gov/Legislation/20172018/165599.pdf	This bill has been modified since being introduced. The modifications made the bill stronger and more acceptable. It looks like a good bill now. So far, this bill is on the fast track.

<u>ACTIVE BILL #</u>	<u>*/**</u>	<u>STATUS-ASSIGNED TO</u>	<u>AUTHORS</u>	<u>TITLE AND/OR SUMMARY</u>	<u>GACP COMMENTS</u>
SB 16	**	Passed in Senate Health and Human Services Committee on 2/16/17. House Judiciary Non-Civil Committee	Watson - 1st Unterman - 45th Hufstetter - 52nd Millar - 40th Kirk - 13th Orrock - 36th	Reduces the percentage of the THC oil in the "Low THC oil patient registry" from 5% to 3%. This bill would also allow autism patients 18 years old or older to be added to the registry as well as patients 18 years old or less with severe autism. http://www.legis.ga.gov/Legislation/20172018/165616.pdf	The GACP is evaluating this bill, but it seems reasonable.
SB 42	**	Senate Public Safety Committee	Davenport - 44th James - 35th Butler - 55th Tate - 38th Fort - 39th Jones - 10th	Mandates a vehicle pursuit policy consistent with the specifications noted in this legislation. This would limit vehicle pursuits to select crimes. http://www.legis.ga.gov/Legislation/20172018/163035.pdf	This is too limited for many departments. Most agencies have pursuit policies that parallel the authors wishes. This bill did not make it out of the Senate and appears to be dead for this session.
SB 45	**	Passed in Senate Judiciary Committee on 2/15/17. House Judiciary Non-Civil Committee	Walker III - 20th Stone - 23rd Parent - 42nd Kennedy - 18th Tillery - 19th Clark - 147th Cowsert - 46th	Prohibiting using a device to film under or through a person's clothing. (Common Name - Up skirting) Cross references with HB 9. http://www.legis.ga.gov/Legislation/20172018/165402.pdf	This is a very reasonable bill and is needed because of a current weakness in the law. GACP supports this legislation.

During the Senate hearing, several committee members accented that cities and counties determine salaries of their employees however, a committee was needed to show what we all know; law enforcement in many areas of the state are underpaid.
